Enrich your playing with the expressive, dynamic, symphonic textures of solo fingerstyle guitar. With the guidance of master teachers, you'll learn to build simple melodies into complete guitar arrangements, understand fingerings that will bring intimidating chords within your reach, and put you at ease with country blues, classical

techniques, Celtic music and more. The accompanying CD features all the music played slowly then up to tempo by the teachers. Includes 11 songs to play, and standard notation and tab.
