Animal behaviorist and veterinarian Michael W. Fox teaches readers how to better understand their cats; what they're thinking and feeling; and how to communicate with our feline friends. A stronger cat-human bond, means a happier cat, and a happier cat owner. Fox helps strengthen these special bonds. In *Cat Body/Cat Mind*, he ushers readers into the whole new world that opens up when humans truly come to know and understand their cats. Fox also offers a holistic approach to companion animal care and natural cat care to keep their bodies as happy as their minds.
