This energetic, intelligent working dog attained AKC recognition only in recent decades. Although an outdoors dog, it also makes a good family pet. This book is a brand-new title in Barron's extensive line of "Complete Pet Owner's Manuals." They advise current and soon-to-be pet owners on the care of dogs and cats of virtually all recognized breeds, as well as on birds, reptiles, amphibians, fish, small mammals, and even exotic creatures like tarantulas and sugar gliders. The information in each book is authoritative but the language is non-technical and easy for every pet owner to understand. Every title in this series is individually written from first page to last by a breeder, trainer, veterinarian, or other animal specialist. All "Complete Pet Owner's Manuals" are filled with high-quality color photos and instructive line art.
