"The Good Behavior Book for Dogs" provides illustrated, down-to-earth and practical advice for dog owners with not-so-perfect pups. With an accessible, fun and easy approach, the author helps owners and their dogs learn how to affect proper manners

and behaviour management in a respectful and loving environment. Dogs will happily engage in the training activities advocated, creating a bridge to happiness, freedom and friendship between dogs and their owners. This book will provide dog owners with the instruction and information that will allow them to solve behaviour problems that in many cases have resulted in giving up the dog. Training your dog to break undesirable habits doesn't need to be stressful. It is an easy way to strengthen the bond between the dog caregiver and dog. The reader will be taken on a sensitive and sometimes comical journey to understand their beloved pooch and get back that 'Puppy Love'.
