isbn:9780285631540

Stimulating and practical, this book by the original horse whisperer can help anyone achieve real communication with their horse, improving their horsemanship by using the horse's natural instincts to do what the rider asks. Studies of both horse and rider inform this essential guide that shows how to best motivate a horse and offers a wealth of practical advice on training and overcoming common problems. It teaches how to understand a horse's physical and emotional needs to promote harmonious communication between rider and equine.
