isbn:9781570763793

Out of print for more than 10 years, this classic book on equitation introduces and

explains the art of riding. Updated with all new color photography of contemporary riders and horses, it includes details on training the rider, schooling the horse, cross-country riding, dressage exercises, and jumping techniques. It expertly provides a wealth of practical knowledge and experience and concisely lays down rules and guidelines that are as applicable today as when the book was written more than 70 years ago. Beginners and experts alike will find the instructions easy to follow and will benefit from the essential theoretical background provided here but so often overlooked in modern riding.
