Can a boarding farm owner sell a boarder's horse to satisfy a delinquent bill? Are corporations or partnerships more suitable to certain kinds of equine businesses? Will the posting of signs that indicate potential hazards reduce a farm owner's liability in the event of an injury? Does the IRS view horse ownership as a hobby or business? These questions and more are answered in The Complete Equine Legal and Business Handbook. Attorney Milton C. Toby looks at contract and liability issues that horse owners and horse business owners face as well as depreciation and deduction considerations, proper record-keeping, employer-employee relations, and public and private purchase of horses. This guide is essential for anyone involved in the horse business.
