The 60 best, funniest, most embarrassing photos of our four-legged friends dressed up for Halloween are collected in this hilarious gift book. No longer just for kids, trick-or-treating with pets is an increasingly common phenomenon, and readers may be inspired to adopt a pet and dress it up themselves. While silly and fun, the photo album's underlying compassion for pets is touching, and dog and cat lovers can rest easy knowing no animals were harmed in its creation.
