If you ever wonder why you love your cat so much, then this is the book for you!

If cats were asked how they would truly like their owners to show affection, what would they say? Are we giving them what they want? Is just loving them ever going to be enough? Can we love them too much?

Vicky Halls, author of the bestselling *Cat Confidential*, has devoted her life to studying the human/feline relationship. In *Cat Counsellor* she explores the origins of this emotional bond and shows how miraculous results can be achieved by merely changing the way we relate to our cats.

Cat Counsellor is packed with fascinating case studies and tips on every aspect of cat relationships. It also includes the fascinating results of the relationship survey, giving cat owners from all over the world the chance to share their feelings about their feline companions.
