Animals often provide us with companionship, comfort and unconditional love, which enriches and improves our lives. So, it comes as no surprise that pet-related ceremonies have found favour with people from all walks of life and all faiths, and "Blessing of the Animals" begins by covering many animal-related prayers, rituals and blessings used in ceremonies throughout the world. Following chapters cover ceremonies, both serious and humorous, vows, 'beauty' pageants, illnesses and the celebration of life of a dearly-departed pet, including moving eulogies and prayers. This fun and enriching volume helps us to express gratitude for the animals who bring joy and wonder into our lives.
