Their bright colors make these snakes popular among hobbyists, and their placid temperaments ensure that they are easy to care for. Barron's comprehensive series of "Pet Owner's Manuals " advise both current and prospective owners on the care of virtually every kind of pet, including a wide variety of dog and cat breeds, hamsters and

other small caged animals, birds, fish, reptiles, amphibians, and even scorpions and tarantulas. The author of each book is a specialist in his or her field, which guarantees readers solid advice and instruction that helps them know what to look for when acquiring a pet, feeding, housing, maintaining health care, and where applicable, grooming and training. All "Pet Owner's Manuals " are filled with high-quality color photos and informative line art.
