Terrarium hobbyists will find expert advice on purchasing geckos, as well as feeding, breeding, and health care. The authors also offer detailed information on gecko physiology and geckos in their natural environment. Barron's comprehensive series of "Pet Owner's Manuals " advise both current and prospective owners on the care of virtually every kind of pet, including a wide variety of dog and cat breeds, hamsters and other small caged animals, birds, fish, reptiles, amphibians, and even scorpions and tarantulas. The author of each book is a specialist in his or her field, which guarantees readers solid advice and instruction that helps them know what to look for when acquiring a pet, feeding, housing, maintaining health care, and where applicable, grooming and training. All "Pet Owner's Manuals " are filled with high-quality color photos and informative line art.
