Women'Dnand men'Dnof all ages are learning how to knit. Knitters, especially the new ones, enjoy easy-to-make projects that can be completed in a short time. Pets are equally popular in our modern society. Pet owners who often indulge their animals

with special treats and accessories will like these easy and quick-to-make designer-quality dog sweaters. These projects can be completed in a weekend, an evening, while watching television, or during an airport layover. They are simple enough to be a first knitting project for a beginning knitter. Design variations and embellishments add the personal touch, and can make each design a more challenging project for an experience knitter. Additionally, the small size of the projects in this book makes them ideal to tuck into a purse or tote bag, so that they can be worked on at odd moments during the day when the knitter finds a few free moments.
