In spite of its rough appearance, the Pug is a very friendly dog, good with children, and easy to groom. In general, it's a fine companion for dog lovers. Titles in the Pet Handbooks series are filled with detailed pet-care advice and feature vivid color photos as well as instructive line art. All Barron's Pet Handbooks are written by

experienced breeders, trainers, and veterinarians. They focus on all major aspects of owning and caring for a pet, including acquiring, proper feeding, housing, health care, breeding, and where applicable, training, exercise, and grooming.
