出版者:Barrons Educational Series Inc

出版时间:2001-11

装帧:Pap

isbn:9780764118265

Finches are relatively easy for hobbyists to keep in both indoor cages and outdoor aviaries. Here is advice on housing, feeding, and general care. Books in this series are designed and illustrated much like Barron's Pet Owner's Manuals, but have more pages, even more photos, and more fully detailed pet care advice and instruction. Pet owners and people who plan to acquire a pet will find information on health care,

feeding, and housing and where applicable, on grooming and training. All photos are top quality and in full color. Many of the titles in this series also feature instructive line illustrations.
