isbn:9780764130014

Titles in the "Reptile and Amphibian Keeper's Guides" series cover all aspects of ownership, caging, healthcare, feeding and breeding. This manual focuses on the crested gecko, an arboreal lizard averaging about seven inches in length and distinguished by pointed scales, or crests, on each side of the head. The author presents detailed advice for hobbyists and breeders on caring for these interesting animals.
