This phenomenal book by Margrit Coates, Britain's best-known animal healer, will teach you how to make a real difference to your pet's happiness and well-being through hands-on energy healing. Energy healing is a non-invasive, complementary -

yet very effective - therapy that can be used to help improve your pet's health and behaviour. In this fascinating guide, Margrit Coates provides practical advice on when, where and how to use hands-on healing to treat your pet. Whether you are caring for a dog or cat, rabbit or gerbil, bird or even a pet reptile or injured wild animals, the essential steps are given here, along with sections on other alternative treatments such as crystals, massage and flower remedies, and pet horoscopes. Throughout, Margrit shares case studies of animals who have been helped by hands-on healing. (20021018)
