著者:Vickerstaff, Anne

出版者:Tfh Pubns Inc

出版时间:

装帧:HRD

isbn:9781860541889

A new addition to the best-selling Pet Owner's Guide series, this book contains

information on how to choose a healthy pet. Topics include choosing the right housing, establishing a regular routine of care, and advice on feeding and exercise. In addition, special attention is paid to health care and preventative treatments, while breeding from your pet is also discussed. Anne Vickerstaff has been involved with Whippets for nearly 30 years. She established her kennel of Rystone Whippets in 1973, and has built up a reputation for breeding sound, top-quality dogs. She has enjoyed considerable success in the show ring, and she also judges the breed. Vickerstaff is a member of the Whippet Club, and has recently started racing her whippets, which she--and her dogs--enjoy immensely.
