No Pet Left Behind is perfect for anyone wanting to travel with their furry friend, whether across town or across the world. This book provides solid information and helpful hints for modern day pet lovers who want their furry friends to be safe, healthy,

and comfortable while accompanying them on their journey. It includes information on travel preparation, pet-etiquette or acceptable human and animal behavior while traveling, understanding your animal in travel situations, what to do in case of emergencies, and much more. This book is not just a listing of places that allow pets; rather, it is an examination of everything you'll want to know about extensive trips to large cities, crowded places, exotic islands, and even foreign locales. Readers will be happy to discover that pets can go just about everywhere, near or far.
