Voted the #1 BEST BOOK (1999) by the Association of Pet Dog Trainers?the largest and most influential worldwide association of professional pet dog trainers. Fun training with toys, treats, lures, and rewards. Easy, fun-loving, dog-friendly methods for teaching basic manners off-leash, and for temperament modification and behavior problem troubleshooting. Written from the dog's point of view and emphasizing natural motivational methods to teach your dog to want to do what you want him to do "How To Teach A New Dog Old Tricks is the best book by dog training's leading genius. The most relevant, important piece ever written on the subject of dog behavior and training. Some fields are lucky enough to be granted a giant: a figure whose contributions inspire awe and are unsurpassable. Ian Dunbar is that in dog behavior. There is no single person on the face of the planet to whom dog trainers and owners (not to mention dogs) owe more." Jean Donaldson (author of The Culture Clash)
