Just like you, your reptile or amphibian needs a suitable home in order to thrive. Animals kept in well-designed vivaria are more active and exhibit more of their natural behaviours. Depending on your scaly pet's natural habitat, it may need low or high humidity, sand to burrow in, or arboreal branches to bask on in order to truly feel at home. "Vivaria Designs" is full of vital information and instructive photos that will help you create the perfect environment for your pet. Learn about escape-proof cages, decorative plants, and heating and lighting options. Whether you use this book to help create an arid desert environment or a lush tropical landscape, your pet will benefit from this invaluable resources.
