Rescuing a dog offers enormous rewards, but if not handled well, the process can take a high emotional and financial toll. Just as first-time parents need instruction manuals, families adopting dogs also need clear-cut advice at their fingertips. A Best Friend in Need: How to Care for a Rescued Dog NEW TITLE TK] is a step-by-step guide to making life a little easier for those who cannot turn away. It covers: * How to help all dogs right now with a few basic steps* What to do if you find a dog in need: the first few hours* Your adopted dog comes home: the critical first 48 hours* Common health and behavioral problems of rescue dogs; how to prevent and deal with them* Integrating a rescue into the family* Finding the right home for a dog you can't keep, and more
