These snake-hobbyists favorite range in color from red through orange, yellow, brown, and gray. All are powerful constrictors, and are commonly found in the Western Hemisphere from southeastern Canada to Central America, as well as in Europe and

Asia. This heavily illustrated book avoids technical language while offering sound advice and reliable information to current and soon-to-be pet owners. Written by animal specialists, veterinarians, and trainers, the titles in this series focus on pets of all kindsadifferent dog and cat breeds, birds, fish, reptiles, small animals, yard animals, and even exotic pets. All Pet Owneras Manuals are filled with high-quality photos and instructive line art.
