Originally held as a sacred animal in China, this small, friendly dog has a highly distinctive personality and makes a fine family companion. Prospective owners should be aware, however, that its long coat requires frequent grooming. Books in the comprehensive and popular " Barronas Complete Pet Owneras Manuals " series advise on feeding, health care, housing, and all other important aspects of responsible pet ownership. Each title is individually written from first page to last by a pet trainer, veterinarian, or other pet-care specialist. All " Complete Pet Owneras Manuals " are filled with high-quality photos and instructive line art.
