PETS / PSYCHOLOGY. Learn the common-sense approach to enjoy your potbellied pig from an expert trainer who has owned numerous Potbellied Pig Trick Campions of the World and has appeared on national TV countless times. Find out how to choose the right pig, train your pig to obey and how to discipline it, follow the Pig Programming philosophy, use the Ten-Step Program for behavior, and solve pig problems from A to Z. Includes 64 color photos, 21 black/white photos, an index, and an animated cartoon pig on the page corners with page-flipping.
