Flyball, a ball catching race for dogs, has tremendous spectator appeal. The fast-paced action, as well as limitless possibilities for comedic performances by the canine athletes, are just two reasons why Flyball has such international interest. Special features of the book include construction plans for all jumps as well as the Flyball box, the F.A.T. (Flyball Aptitude Test), and training methods based on positive reinforcement. Lonnie Olson is President of the National Association of Dog Obedience Instructors, and is an Obedience and Flyball judge.
