装帧:Paperback

isbn:9780764130984

Ducks can either be kept as pets or raised as farm animals. Duck owners will find all the facts they need on housing, feeding, health care, and more. "Barron's Pet Handbooks" can be thought of as extra-large versions of our popular "Pet Owners Manuals" series. "The Handbooks" have larger page counts, more color photos, and contain even more

information on pet care than the "Manuals." Written by breeders, veterinarians, and other pet care experts, they describe their title-animalas traits and present advice on feeding, health maintenance, and all other important aspects of animal care.
