First published in 1995, this authoritative book has helped nearly 40,000 families raise healthy, content pets. Packed with illustrations and photos, it explains how to keep puppies healthy, put them through basic training, correct behavior problems, and integrate them into family life. Since the initial publication, coauthor Sarah Hodgson has become the media's favorite puppy expert--a dog trainer who writes for The New York Times, appears on the Rosie O'Donnell Show," the "Today Show," and other programs, and even helped Katie Couric choose a puppy."
