What would cats say if they were of a mind to talk? Valerie Shaff and Roy Blount Jr. have a good idea ... On the heels of their hugely successful *I Am Puppy*, *Hear Me Yap* and *If Only You Knew How Much I Smell You*, Shaff and Blount have paired again, this time for a witty and insightful look at America's other favorite pet -- the cat. Shaff captures the essence of the ever-elusive cat in her gorgeous photographs, and Roy Blount Jr., who the *New York Times* says is "in serious contention for the title of America's Most Cherished Humorist," provides accompanying verse that seems to speak a cat's thoughts. The combined result is a touching and often hilarious take on the minds and hearts of felines. When I purr Don't infer It's because you pat. No, you

pat Because I purr. I am the cat, Don't forget that.
