isbn:9780764119620

These robust canines originated in Germany as herding dogs and ratters many centuries ago. Today, Schnauzers are popular pets worldwide. Miniatures, standards, and giants--they're all here. All "Complete Pet Owner's Manuals" are heavily illustrated with color photos and line art, and are filled with reliable, easy-to-understand information on pet care. The many titles in this series show and tell pet owners how to

care for dogs, cats, birds, fish, reptiles, gerbils, hamsters, and virtually every other animal that is kept as a pet. The books give advice on purchasing and otherwise acquiring a pet, maintaining health care, housing, proper feeding, and where applicable, grooming and training. Clear, straightforward text comes with high-quality, full-color photos and anatomically accurate line art, as well as helpful tables and charts.
