These cheerful and intelligent little dogs make fine pets, but have long, flowing hair that demands regular grooming. All "Complete Pet Owner's Manuals" are heavily illustrated with color photos and line art, and are filled with reliable, easy-to-understand information on pet care. The many titles in this series show and tell pet owners how to care for dogs, cats, birds, fish, reptiles, gerbils, hamsters, and virtually every other animal that is kept as a pet. The books give advice on purchasing and otherwise acquiring a pet, maintaining health care, housing, proper feeding, and where applicable, grooming and training. Clear, straightforward text comes with high-quality, full-color photos and anatomically accurate line art, as well as helpful tables and charts.
