出版时间:2000-5

装帧:Pap

isbn:9780764114946

Books in this instructive series are brief, good looking, inexpensively priced manuals that teach inexperienced adults and older children to be responsible for the ownership and care of animals. "Did You Know?" sidebar features present sometimes surprising, always amusing little-known facts about each book's subject animal. The main focus is advice on tending the animalsafeed them correct foods in proper amounts, and keeping them in a healtful environment. Full-color photos throughout.
