出版者:Microcosm Ltd

出版时间:1998-10

装帧:Pap

isbn:9781890087524

This fully illustrated handbook is designed to help the beginning saltwater hobbyist with planning, setting up, and stocking his or her first marine aquarium. Includes

up-to-date advice on appropriate equipment, filtration, live rock, lighting, aquascaping, and an invaluable fish-selection guide with color photographs and expert tips on picking the best species for a new saltwater aquarium. Clear and concise, *The New Marine Aquarium* is written by one of the country's leading amateur aquarists. It is designed to help bring new enthusiasts into the marine field -- and to keep them involved by creating healthy, attractive, intelligently stocked marine tanks.
