

To the Point

[To the Point_ 下载链接1](#)

著者:Spartas, Dale C./ Davis, Tom/ De LA Valdene, Guy (FRW)

出版者:Stackpole Books

出版时间:2003-8

装帧:HRD

isbn:9780811700436

Striking full-color photographs show off pointing dogs at their finest. Included in the book are continental breeds, the Viszla, weimaraner, and wirehaired pointing griffon. Davis writes on the breeds' history, physical characteristics, and personality, as well as training the inquisitive puppy into a finished shooting dog with praise, patience, and repetition. A superb gift book for the pointing dog lover.
