isbn:9781861267139

Instantly recognizable, the German Shepherd is one of the most popular breeds of dog

in the world today. In this comprehensive new book, Dr. David Sands shows how to get the best from these wonderful dogs. Topics include the history of the breed; the personality; choosing a puppy and training; rescue and re-homed dogs; behavioral problems; and health care. Illustrated in color throughout, this will be an invaluable guide to making the most of your relationship with your German Shepherd.
