isbn:9781929242245

If puppies are on the way, you want those newborns to have the best possible chance of survival and good health. Learn how to administer simple but effective measures to

help puppies in distress if you cannot call upon the services of a vet in a timely manner. What you need to know when you most need to know it delivered in friendly, non-technical terms from a long-time breeder. Comes with a 32 minute DVD to better illustrate the techniques recommended.
