Cats are well-known for their lazy, self-indulgent attitude and can sometimes have too much of a good thing. With real consequences for health, such as cardio and respiratory difficulties, burgeoning weight can affect every aspect of your cat's life, including life-expectancy. Fortunately "Fat Cat Thin" has the answer. It is packed with essential advice on nutrition, how to assess your cat's health and tips on looking after your cat's well-being, and is guaranteed to keep your cat happy, healthy and in tip-top condition.
