出版者:Lexington Books

出版时间:2006-2-27

装帧:Paperback

isbn:9780739113660

The Promise of Phenomenology: Posthumous Papers of John Wild includes articles that remained unpublished during Wild's lifetime, a journal, wherein he recorded conversations with major British and Continental philosophers during 1957-8, as well as a masterful exposition and commentary on Emmanuel Levinas's book Totality and Infinity. It also contains a complete bibliography of all of Wild's unpublished writings

open for research at the Beinecke Rare Book Library at Yale University. More personal and less reserved than Wild's published scholarship, yet containing Wild's characteristic clarity and rigor, the writings in this book cover such subjects as a phenomenological approach to moral relativism, an exploration of lived time, and reflections on the other and religious transcendence. The Promise of Phenomenology gives a lively picture of a master philosopher at work conveying the vitality and importance of philosophy to everyday life.
