1907. In this essay Cornford strives to emphasize the essentially artistic aspect of Thucydides' work. Contents: Part I. Thucydides Historicus: The Causes of the War;

Athenian Parties Before the War; The Megarian Decrees; The Western Policy; Thucydides' Conception of History. Part II. The Luck of Pylos; The Most Violent of the Citizens; Mythistoria and the Drama; Peitho; The Mellan Dialogue; The Lion's Whelp; Eros Tryannus; The Tragic Passions; and The Cause of War.
