出版者:Prentice Hall

出版时间:2003-6

装帧:Pap

isbn:9780131112568

For courses in Introduction to Philosophy or Contemporary Philosophy. One of the most successful texts in its field over the last 30 years, Philosophy and Contemporary Issues introduces today's students to philosophy with timely, approachable readings

of philosophical significance. The authors demonstrate how philosophy illuminates and helps solve important contemporary problems, and they encourage students to engage in philosophizing themselves. This book successfully makes the subject interesting and intelligible for students encountering philosophy for the first time.
