

The Adorno Reader

[The Adorno Reader 下载链接1](#)

著者:O'Connor, Brian 编

出版者:Blackwell Pub

出版时间:2000-4

装帧:Pap

isbn:9780631210771

This superb volume brings together for the first time the essential readings selections from Adorno's multidisciplinary work. It will be valuable to readers at various levels as it makes available Adorno material which previously was either difficult to access or was presented in a form which was intimidating.
