“Searching for light on Aristotle’ s ethics? Look no further than this fine collection of new essays on the major topics of the Nicomachean Ethics from leading scholars of five countries.” David Keyt, University of Washington

“This is a stimulating and wide-ranging collection of lucid and rigorous essays by some of the world’ s finest Aristotelian scholars. It offers fresh insights into Aristotle’ s arguments, methodology, influence, and contemporary relevance and will appeal both to first-time readers and those returning to the work.” Angela Hobbs, University of Warwick

“A welcome addition for anyone interested in Aristotle’ s ethics. Its authors form an impressive list of scholars, and it covers a wide range of topics relevant to Aristotle's ethics. Worth owning.” Norman Dahl, University of Minnesota
