

Ethics After Anscombe

[Ethics After Anscombe_ 下载链接1](#)

著者:Duncan Richter

出版者:Springer

出版时间:1999-12-31

装帧:Hardcover

isbn:9780792360933

The outstanding features of this book are that it directly confronts the challenge posed by G.E.M. Anscombe in *Modern Moral Philosophy* of how moral philosophy can be done, it makes a significant contribution to the debate on virtue theory and anti-theory in ethics, and it shows the relevance of such theoretical discussion by grounding it in, and applying it to, contemporary moral issues such as abortion, suicide, and the moral status of animals. No other book currently available covers this ground. The book is aimed primarily at upper-level undergraduates, graduate students and faculty in philosophy, but it should be accessible to anyone with an interest in practical ethics or the philosophy of Wittgenstein.
