著者:Rene Girard

出版者:St. Augustines Press

出版时间:2004-1

装帧:Paperback

isbn:9781587318603

In this ground-breaking work, one of our foremost literary and cultural critics turns to the major figure in English literature, William Shakespeare, and proposes a dramatic new reading of nearly all his plays and poems. The key to *A Theater of Envy* is Girard's novel reinterpretation of "mimesis." For Girard, people desire objects not for their intrinsic value, but because they are desired by someone else - we mime or imitate their desires. This envy - or "mimetic desire" - he sees as one of the foundations of the human condition. Bringing such provocative and iconoclastic insights to bear on Shakespeare, Girard reveals the previously overlooked coherence of problem plays like *Troilus and Cressida*, and makes a convincing argument for elevating *A Midsummer Night's Dream* from the status of a chaotic comedy to a masterpiece. The book abounds with novel and provocative interpretations: Shakespeare becomes "a prophet of modern advertising," and the threat of nuclear disaster is read in the light of *Hamlet*. Most intriguing of all, perhaps, is a brief, but brilliant aside in which an entirely new perspective is brought to the chapter on Joyce's *Ulysses* in which Stephen Dedalus gives a lecture on Shakespeare. In Girard's view only Joyce, perhaps the greatest of twentieth-century novelists, comes close to understanding the greatest of Renaissance playwrights. Throughout this impressively sustained reading of Shakespeare, Girard's prose is sophisticated, but contemporary, and accessible to the general reader.
