Joyce Sequichie Hifler offers this beloved collection of daily meditation books drawn from her own rich Cherokee heritage and that of other tribes. She presents readings for each day of the year from Una la ta nee' -- the cold month, January -- to U Ski' Ya, the snow month of December. Each provides insights in both English and Cherokee, and gems of wisdom recorded in the words of native speakers. This little treasure is for readers of all faiths, and for those seeking faith.
