著者:Beaney, Michael 编

出版者:Routledge

出版时间:2007-11-6

装帧:HRD

isbn:9780415381673

This collection, with contributions from leading philosophers, places analytic philosophy in a broader context comparing it with the methodology of its most important rival tradition in twentieth century philosophy - phenomenology, whose development parallels the development of analytic philosophy in many ways.

This volume will be of great interest to historians of philosophy generally, analytic philosophers, and phenomenologists.
