

The Challenge of Bergsonism

[The Challenge of Bergsonism_ 下载链接1](#)

著者:Leonard Lawlor

出版者:Bloomsbury Academic

出版时间:2003-4-1

装帧:Paperback

isbn:9780826468031

The Challenge of Bergsonism explores how Bergsonism questions our ways of thinking, particularly the concept of reality, and ultimately demands a return to ethics. The book also includes the first English translation of Jean Hyppolite's highly influential essay, Various Aspects of Memory in Bergson.
