isbn:9781566631549

In Hegel in 90 Minutes, Paul Strathern offers a concise, expert account of Hegel's life

and ideas, and explains their influence on man's struggle to understand his existence in the world. The book also includes selections from Hegel's work; a brief list of suggested reading for those who wish to push further; and chronologies that place Hegel within his own age and in the broader scheme of philosophy.
