

Ludwig Wittgenstein and the Vienna Circle

[Ludwig Wittgenstein and the Vienna Circle_ 下载链接1](#)

著者:Waismann, Friedrich

出版者:Blackwell Pub

出版时间:1991-1

装帧:Pap

isbn:9780631134695

This collection contains hitherto unknown letters exchanged between Wittgenstein and the most important of his Cambridge friends and includes editorial notes based on archival material not previously explored.

Incorporates many previously undiscovered unique and significant letters.

A powerful record and intimate insight into Wittgenstein's life and thought.

Extensive editorial annotations.
