[Renewing Dialogues in Marxism and Education\\_下载链接1\\_](#)

著者:Green, Anthony 编

出版者:Palgrave Macmillan

出版时间:2008-2

装帧:HRD

isbn:9781403974969

Using Marxist theory, Rikowski and Green examine the dialectic between race and power in education. This book launches their forthcoming series on Marxism and Education which is designed to attract educationists, whether teachers, researchers, policy makers and administrators, as well as activists of various kinds who consider the Marxist tradition still to be a valuable resource and important point of reference.
